

Re.No. 6952/80-82,
Dated: 8.10.1980.

Office of the Chief Conservator of
Forests, Andhra Pradesh, Hyderabad.

Sri C.V. Konda Reddy, I.F.S.,
Chief Conservator of Forests.

CIRCULAR NO: 15. / 80

Sub:- Forests - Make India Green Campaign - Raising of
seedlings during 1980-81 for the supply in
1981 season - Instructions issued.

Ref:- G.O.Ms.No.353, Forests & Rural Dev.(For.I) Department
dated 9.7.1980.

In the G.O. read above, the Government accorded sanction for incurring an expenditure of Rs. 9,05,000/- during 80-81 for raising seedlings of trees and purchase of coconut seedlings for implementing the Make India Green Schemes in 14 districts. In other districts which are covered by D.P.A.P., the seedlings are to be raised utilising D.P.A.P.funds.

The seedlings raised during 1979-80 were all distributed in the rains of 1980, mostly to farmers, for blocks or field bund planting, to public and various institutions like schools, industrial units etc., for planting in house compounds and other vacant lands. There have been however a number of cases this year where the Divl.Forest Officers were not able to meet the full demand for supply of seedlings of required species by individuals and institutions which together required large numbers of seedlings of different species for planting. In order that the department, (Different Divl.Forest Officers) are not caught on the wrong foot atleast in the years to come, and to ensure that in all divisions adequate number of seedlings of different species are raised every year, to meet the likely demand for next years planting in full, without however leaving large number of seedlings as surplus and unutilised, it is proposed to take necessary action to assess the demand for seedlings of different species in different divisions during 1981 from individual farmers, public, schools and other institutions which obtain seedlings from the Department.

In order to achieve this all Conservator of Forests are requested to issue further detailed instructions if necessary immediately to all their Divl.Forest Officers to give wide publicity through local A.I.R. Stations, News Papers and other media, requesting farmers and other public, schools, Panchayats, Municipalities and all other institutions and industrial establishments who require more than 100 seedlings of all species put together for planting during 1981 season, to register at once, and in any case more than end of November'80, their requirements with the concerned Divl.Forest Officers to enable each Divl.Forest Officer to assess the total number of seedlings

DEPARTMENTAL TEST-SHORT NOTES

THE CONTROL BOOK:-

This record shall ordinarily be maintained for each working circle and shall be written up annually. The objects of the control books are-

- a) to compare the actual exploitation of the year (such as felling, girding, extraction of minor produce and grazing) with the prescriptions of the working-plan;
- b) to record the yield of timber and other produce and the revenue derived therefrom;
- c) in the event of the area or quantity of material exploited in any year being less than that prescribed in the working-plan, to provide for the bringing forward year by year of the balance still available for exploitation, until it is exploited or written off under competent authority;
- d) in the event of any exploitation in excess (whether of material or area) of the prescriptions of the plan, to provide that such excess shall, unless orders to the contrary are issued by competent authority be deducted from
