CIRCULAR NO.6/88.

Sub:-Forest Department-Notification of Forest Blocks under Forest Act, 1967-Raising Plantations over Patta lands proposed for inclusion in the blocks-Instructions-Issued-Reg.,

...

Instances have come to notice where the Departmental Officers have selected areas for raising plantations and other developmental activities etc. out of the Patta lands included in the block, proposing them for acquisition on payment of compensation during Forest Settlement by the Forest Settlement Officer.

In this connection, it is informed that there may not be scope to acquire such patta lands on payment of land to land compensation outside the block at this stage as no suitable lands are being made available by the Revenue Department. It may not be possible to acquire them on payment of cash compensation at huge cost.

Hence, the Conservators of Forests and Divl. Forest Officers are advised to make sure themselves by referring to reservation records etc. that the areas selected for raising of Plantations or other kinds of developmental activities of the Department do not fall in any of the patta lands included in the block which were proposed for acquisition in the settlement or the lands which are under dispute and the department is not sure of its ownership.

...

In this office Circular cited, while issuing instructions for expeditious disposal of pension cases, certain procedure has been prescribed in respect of issue of NDCs. According to this Circular while submitting pension papers, the Divisional Forest Officers and Conservators of Forests have to call for the particulars regarding pending charge sheets etc. against employees from the offices, where the employee has worked previously and submit a detailed report to the pension sanctioning authority. Further while submitting pension papers, the Head of office should obtain a N.D.C. from all the Officers concerned where employee has worked previously. After obtaining such certificates only a consolidated final N.D.C. is to be submitted to pension sanctioning authority.

It is brought to notice that the above procedure of obtaining N.D.Cs from date of appointment from all various places where the employee worked previously causing undue delay and hardship to the pensioners and several cases of release of D.C.R.G. is pending only for want of N.D.Cs.
