Detailed instructions have been issued to get the sale notices published in the leading news papers especially in the language papers for better advertisement and sales of the coupes and other units vide Chief Conservator of Forests circular numbers cited. Now the Government in their G.O.Ms.No.223 General Administration (I&PR) Deptt. dt. 23.4.86 have streamlined the issue of advertisements by Government Departments/State owned corporations/cooperative and local bodies etc., and "Telugu Samacharam" a Government owned autonomous body was created. The Government in their G.O.Ms.No. 180 General Administration Department (I&PR) Department dt. 25-3-88 have issued detailed instructions and procedure in regard to release of advertisements through "Telugu Samacharam". A copy of the G.O. is enclosed. In view of these instructions, the Divisional Forest Officers might be not in a position to get the sale notices published in News papers as and when they desired.

The main intention of the Department is to attract as many bidders from all over the state for the sales as possible and enable the Department to sell the Forest produce in keen competition and obtain maximum price. Moreover the Department is also incurring huge expenditure on publishing of sale notices, in news papers. To avoid huge expenditure it is decided to fix permanent dates of sales in all depots/coupe depots and furnish the dates to all the possible purchasers in the 1st week of April, in every year and issue short sale notices furnishing the approximate quantities in every month.

In case the permanent date fixed happens to be important Religious holiday then the sales should be conducted on the next working day. The sale conducting officer should announce the date of next sale either at the previous date of the sale and also inform the Prl. Chief Conservator of Forests office (Addl. Chief Conservator of Forests (V) Asst. Conservator of Forests (V)).

A list of permanent dates fixed for each Government Depot is enclosed herewith for information. Any depot listed in the enclosure is already closed or any fresh depot is opened, the permanent dates may be announced in the sales and inform the Prl. Chief Conservator of Forests about the closure of the depot or opening of the depot.

contd.....p..2.

The Conservators of Forests sale conducting Officer are requested to implement the above instruction scrupulously.
